

Draft specification

Hob Module 6350HA-S4, Left incl. worktop. Prepared for hob with 4 cooking zones, width 79 cm
Manufacturer: Granberg

The combination includes the following products

Wall mounted, Cranked Height Adjustable Hob Module. Prepared for glass ceramic hob with four cooking zones. Front height is 103 mm.

The module is available in left, centre, or right version.

The modules have a 10 mm shorter width to automatically give 5 mm gap on either side of the unit for the up and down movement. They are also 15 mm shallower in depth to make room for splash protection/tiles.

The module can be integrated into environments from any kitchen manufacturer.
