

Draft specification

Sidelift 6400 Combi Module 6400-H2, width 289 cm  
Manufacturer: Granberg

The combination includes the following products

Sidelift 6400 combi module, prepared for sink and glass ceramic hob.

The module have hanging cabinets in the outer edges, (40 cm width). The he cabinets can easily be removed to provide space for work done when sitting down. The cabinets can be remounted just as easily.

Safety systems, in the form of safety plates under cabinets and safety strips where there are spaces for knees, stop all movement if any object comes in contact with the switches.

Electronics and motor system "Plug and Play".
