

Draft specification

Combi kitchen module 6380-ES20S4, Left incl. worktop with 1+1/2 sink bowl. Prepared for hob with 4 cooking zones, width 219 cm  
Manufacturer: Granberg

The combination includes the following products

Wall mounted, Manually Height Adjustable Combi Kitchen Module - 6380-ES20S4. The module contains one shallow sink bowl, one shallow rinsing bowl. Prepared for glass ceramic hob with four cooking zones.

The module is available in left or right version.

The modules have a 10 mm shorter width to automatically give 5 mm gap on either side of the unit for the up and down movement. They are also 15 mm shallower in depth to make room for splash protection/tiles.

The module can be integrated into environments from any kitchen manufacturer.
